III. Ordering Paragraphs

I. Introduction

On August 28, 2013, the Postal Service filed notice that it has agreed to an amendment to the existing Parcel Select Contract 4 subject to this docket.¹

The Postal Service includes one attachment in support of its Notice:

- Attachment A—a redacted copy of the amendment to the existing Parcel Select Contract 4.

The Postal Service also filed the unredacted amendment under seal. It asserts that the “supporting financial documentation and financial certification initially provided in this docket remain applicable.” *Id.* at 1. It also contends that the amendment “will not materially affect the cost coverage” of the product. *Id.* The Postal Service seeks to incorporate by reference the Application for Non-Public Treatment originally filed in this docket for the protection of customer-identifying information that it has filed under seal. *Id.*

The amendment makes three changes. First, it appears to change the minimum volume requirement and the penalty for failure to meet the minimum volume requirement. *Id.* Attachment A at 1. Second, it changes the prices for

the second contract year and establishes a penalty for failure to meet volume requirements associated with the new prices. *Id.* at 1-2. Finally, it changes the mechanism for the annual adjustment of prices. *Id.* at 2. The Postal Service intends for the amendment to become effective on the day after the date that the Commission completes its review of the Notice. *Id.* at 1.

Supplemental information. Paragraphs 1 and 2 of section I.C. of the existing contract established the minimum volume requirements for the first contract year and for subsequent contract years, respectively. Paragraph 3 of section I.C. of the existing contract established a penalty for failure to meet those minimum volume requirements. The amendment to section I.C. contains a penalty for failure to meet the minimum volume requirement, but it does not appear to specify what the minimum volume requirement is. The Postal Service is requested to provide the minimum volume requirements for contract years 2 and 3 and, if appropriate, a further amendment to the contract.²

Section I.E.5. of the existing contract specifies the prices for contract years 2 and 3. The amendment to section I.E.5. of the existing contract only specifies the prices for contract year 2. The Postal Service is requested to provide the prices for contract year 3 and, if appropriate, a further amendment to the contract.

² The amendment to section I.E.5. suggests that the minimum volume requirement for contract year 2 could be the Tier 3 volume described in Table 1 of the existing contract, but this is not clear.

The Postal Service is requested to confirm that it intends for the amendment to section I.F. of the existing contract to apply with respect to the annual adjustment for contract year 3, beginning August 1, 2014. The Postal Service is further requested to submit, under seal if necessary, the prices in effect for contract year 2.

The Postal Service response is due no later than September 4, 2013.
